Sir,

I have the honour to submit herewith the letter R.C.No. 383 C.T.B./33 dated 17th June 1933 from the President, Taluk Board, Coondapur regarding the transfer of provision of the additional teacher in the Board Elementary school, Anagalli to the Board Elementary school, Ampar and to state as follows:-

The Board Elementary school, Anagalli was opened out of the subsidy sanctioned in G.O.No. 877 L.E., dated 23-5-25 and 3 additional teachers were entertained in the school out of the subsidy sanctioned in G.O.No.

683 L.E., dated 11-4-29. The strength and attendance of the school in May 1933 were 6. and 62 respectively, as the strength does not justify the continuance of 3 additional teachers in the school. Hen one of the additional teachers' posts is proposed to be transferred to the Board Elementary school, Ampar.

The Board Elementary school, Ampar was opened out of the subsidy sanctioned in G.O.No. 1598 L.E., dated 16th October 1924 and the school has at present two teachers the additional teacher having been entertained out of the subsidy sanctioned in G.O.No. 683 L.E., dated 11.4-29. The school deserves a third teacher as its strength in May 1933 and in each of th five months preceding May 1933 exceeded 80.

The transfer of provision is recommended - The President, Taluk Board may be advised to report the dates of discontinuance of the services of the additional t acher in the Board Elementary school, Anagalli and that of entertainment of the additional teacher in the Board Elementary school, Ampar.

I have the honour to be,

Sir,

I have the honour to state that the Ampar (Mudabage) Board Ele.School which was opened with the aid of the subsidy sanctioned in G.C.No.1598 Law Education dated 16th October 1924 and which has now a staff of two teachers badly requires another additional teacher. The average strength and attendance of the school for the last six months are 87 and 61 respectively, the standardwar strength and attendance for these months being as shown below:-

	I Standard		II Standard		III Stand:		IV Stand:		V Stand:		Total

* The fall in the attendance is due to fever and rain.

2. The Deputy Inspector of Schools, Coondapur Range informs me that the present strength and attendance of the above school demand an additional hand for efficient instruction; but the scarcity of accommodation in the present school building is the main drawback. The owner of the building has promised to extend the building by the end of October 1933 so as to accommodate the increased strength of the School.

3. In this connection; I have to point out that the third additional teacher entertained in the Angalli Board Elementary School out of the subsidy sanctioned in G.O.No. 683 Law Education dated 11-4-1929 is now found to be superfluous in that school as the strength and attendance are only 69 and 62 respectively. This additional teacher can be transferred to the Ampar (Mudabage) Board School where the want of a third teacher is keenly felt. The annual recurring subsidy sanctioned by the Government to the additional teacher at Angalli is Rs.228-0-0.

4. I request, therefore, that the Government may be pleased to accord sanction at as early a date as possible ~~to accord sanction at as early a date as possible~~ for the transfer of provision of the third additional teacher in the Angalli

Board School for entertaining an additional teacher in the Ampar (Mudabage) Board School.

Subject Taluk Board, Coimbatore — transfer of subsidy from one school to another.

The services of an addl teacher in the school at Angalli were dispensed with on 10. 11. 33 and an addl teacher was entertained on 13. 11. 33. As the eleventh & twelfth were holiday and Sunday it seems unnecessary to recover the proportionate subsidy. It is open to local bodies to grant a half holiday on Saturday. ~~Should~~ at all a recovery shd be made, it will be only for half a day. The papers may be stitched with Govt No 1932 Edn dt 13. 10. 33 after perusal by Finance.
